## Waiver

Waiver expires 1 year from signing.

Please note that injuries may happen when dogs play together. Teeth will catch fur or ears. Sometimes play gets rough. We, the kennel staff, are as diligent as we can be, but sometimes things happen. We will do everything in our power to care for a dog that is injured but know that accidents do happen.

I understand that my dog will be cared for according to my instructions and to the agreement outlined below. I also understand that if the dog needs veterinary care for something unexpected that I will be responsible for that expense. I also understand that Dragonluck Kennels is not liable for any unexpected illnesses which are not directly linked to the care being given to the dog during its stay.

I also understand that every measure has been taken to ensure the safety of the dog and that the staff will not be held responsible for any injury due to accidental situations.

### CARE AGREEMENT

We at Dragonluck Kennels will feed according to the dogs usual schedule with the food you have provided. We will also exercise by walking in the field at least once a day. Your dog will also be given time outside in the run with or without the other dogs depending how they get along. He/she will sleep in his/her crate or blanket in the kennel area at night. All precautions will be taken to provide a safe and happy stay.

## Instruction Sheet

Please bring enough food to last your dogs stay. We are happy to feed raw if your dog is on that diet. **Do not bring dishes.** If you wish to bring treats please do so. These may be added to the communal treat jar and shared with everyone on our walks and at bedtime.

Please bring their favourite blanket or toy to sleep with. Do not bring throwing toys as we do not throw things in order to prevent any resource guarding.

Please bring your dog in to the kennel on leash and then take the leash home with you. All of our walks are off leash with a group of dogs. We can walk them alone or on leash if necessary but prefer to walk them together. We have limited space and therefore often share the runs and play spaces with other dogs. If your dog does not get along with other dogs they will not be happy here.

Please bring bark collars if they are used to using them.

Please feel free to arrange a phone call/email when you are away if you want.

Our drop off and pick up times are usually between 8am and 9am, 11am and 12 pm and 4:30pm and 6pm Monday to Saturday. Please tell us what time you will be coming.

Sundays and Statutory holidays pickup is between 7pm and 9pm.

We always have a certain amount of flexibility so please discuss any variations you may require. We are closed Christmas day and New Years day.

Payment is required when you pick up your dog. Cash or check (Made out to Dragonluck Kennels) are fine.

We do not request specific vaccines as some of our dogs cannot have vaccines due to severe allergic reactions or age. We will expect that you and your vet have determined what is best for your dog and that you are aware that all the owners are doing the same and that your risk is the same as walking in dog parks etc.

We will require a deposit of 50% of the days kenneling for peak times such as March break, Christmas, July long weekend. Ask us about the deposit policy.

WE LOOK FORWARD TO HAVING YOUR DOG/S STAY WITH US AND PLAYING WITH THE OTHER DOGS.
